

## Movers for Moms

March 24, 2009 - 4:36PM

Mid-Michigan moms struggling to make ends meet are getting some help.

Two Men and a Truck are teaming up with Windemere Park Charter Academy for their Movers for Moms program, collecting donated items to be delivered on Mother's Day.

"Basic needs, basic necessities, some special things; scented shampoos so that we can encourage moms and give them something that perhaps they wouldn't get on Mother's Day," said Deb Major, a teacher at Windemere Park Charter Academy.

The donation drive runs through May 8th.

Things like clothing, baby items, food, toys, shampoo, conditioner, deodorant, disposable razors, shaving cream, feminine hygiene items, toothpaste, toothbrushes, combs and brushes, socks, T-shirts, underwear, gently used clothing, small household items, pillows, blankets, diapers, and baby wipes are all needed.

You can take a donation to Windemere Park Charter Academy, or your local Two Men and a Truck location.
